

# *What's Cookin' down on Stephen Street?*

## *Well actually, that can be up to you!*

The St. Vincent de Paul Society of Kingston provided 5893 hot meals in 2003 & we had such a great time doing it, we'd like to share the experience with you!

At an average of 48 meals per lunch day & under a dollar a meal, your \$48 contribution entitles you to choose the day & the menu, name the entree and even help prepare it with the best darn group of Celebrity Chefs in Kingston! You can also choose to not cook but simply be a guest at "your" lunch if you wish, or for that matter, neither of the above.

You will receive a charitable tax receipt, a special certificate, a great lunch with fascinating folks and our undying gratitude & appreciation!

For more information please call
